NewGen Therapeutics to Present at Biotech Showcase™

MENLO PARK, CA (December 5, 2012) -- NewGen Therapeutics, Inc. today announced that it has been invited to present at the Biotech Showcase 2013 Meeting in San Francisco, California on January 9, 2013 at 4:15 p.m. Pacific time.

Co-produced by Demy-Colton Life Science Advisors and EBD Group, Biotech Showcase is an investor and partnering conference devoted to providing private and public biotechnology and life sciences companies an opportunity to present to, and meet with, investors and pharmaceutical executives during the course of one of the industry's largest annual healthcare investor conferences. Now in its fifth year, Biotech Showcase is expected to attract upwards of 1,500 attendees.

About NewGen

NewGen Therapeutics is a privately held pharmaceutical company developing patient-targeted cancer drugs that are designed to overcome limitations of currently available therapies. The company's pipeline includes multiple programs with novel small molecule drug leads against clinically important targets, each addressed to significant medical needs. NewGen's strategy is to identify and in-license promising programs, add value through further development and then partner with pharmaceutical companies for clinical development and commercialization.
